

How to search the listings.

Where relevant, the dates of the records we hold are noted. Please note that the reference number after the place name is the *library catalogue number*, which you can use for reference if requesting a search in a particular record or if visiting in person.

Once in the relevant county listing page you can either chose to scroll down the page manually or you may wish to search for a particular word or place using the “control” and “F” search facility.

How to use the search facility

1. Press the key marked “Ctrl” or “Control” at the same time as pressing down the “F” key on your keyboard. This will bring up a search box.
2. Then enter the name of the parish or word you wish to search for in the search box and click on “find next”. The first relevant entry will be highlighted for you in the main text.
3. To find the next relevant entry you can repeat the process by clicking “Find next” again.
